

KUNDAN VIDYA MANDIR HELPS LUDHIANA STUDENTS SOAR BY BECOMING FIRST OFFICIAL SAT TEST CENTER IN REGION

KundanVidyaMandir is an 80 year old educational institution which has been serving the citizens of Ludhiana with diligence and sincerity. We have always been the pioneers in every field of education.

As the world moves towards becoming a global village, the number of students from our region, who wish to pursue Higher Education in United States has gone up exponentially in recent years. Students wishing to join reputed colleges in the U.S. need to appear for the SAT exam. Students especially of Ludhiana and its surrounding faced great harassment as they had to travel to either Amritsar or Chandigarh or any farther city for their exam.

It is with great pride we announce another revolutionary measure taken in this regard. KundanVidyaMandir Sen. Sec. School, Ludhiana is now acknowledged as an official Test Centre by the SAT College Board. Students registering for SAT to be held from 3rd October, 2020 can now chose KVM as their test centre with code 63251.

We sincerely believe it will greatly reduce the stress level of students of this region and help improve their scores and thus they will be eligible for greater number of reputed colleges and universities in the US.

This will further bring acknowledgement of Ludhiana as being the leading hub for all educational activities in the Region.
